

# Dioris Diaz

## **Full-Stack Web Developer**

Philadelphia, PA

Authorized to work in the US for any employer

## Work Experience

### **Operations Manager**

**goPuff** - Philadelphia, PA

April 2018 to Present

As an Operations Manager I am in charge of managing over 30 employees in the heart of the Northeastern region of Philadelphia which is where the branch of Go puff that I work for is located. It is my job to ensure that all of the products that we sell are up to par with the customers needs as well also I must make sure that they get there products as soon as possible. I must rout the orders placed by the customers to my drivers in a way that one ensures the safety of the employee and the customer gets what they need in as little as time as possible.

### **Front Desk Clerk**
